Repeal sections:

In this regulatory action, the Board adopts and amends various sections in Title 16 of the California Code of Regulations. These regulatory changes establish a citation program, such as providing procedures for issuing citations, serving citations, appealing citations, and providing a description of what may happen if a cited person fails to comply with the citation orders. This rulemaking proposal provides the same process to be followed for all citations issued by our Board, regardless of the profession (engineering, land surveying, geology, or geophysics) involved or whether the individual is licensed or unlicensed.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 7/1/2017.
