OUR ANNUAL LICENSING ISSUE DIGGING DEEPER: UNDERSTANDING OUR CERTIFICATE HOLDERS AND LICENSEES

Board staff continually tracks, researches, and analyzes trends and changes in our applicant and licensing population to examine growth and achievement. Each year our fall *Bulletin* focuses on this research.

Executive Officer's Report

RICHARD B. MOORE, PLS

October ... 2023! Where did this year go? From what we hear from members of the professions with whom we at the Board regularly communicate, it appears that many are asking the same question. Needless to say, this has been a very busy year for all.

Two years ago in the Fall 2021 edition, my message included the following:

In this edition, you will see that volumes for both applications and licenses issued are generally still reflecting a downward trend as a result of the disruption caused by the pandemic last year. Licensing numbers reflect that some disciplines of engineering are more popular than in years past while other engineering, land surveying, and geology licenses are either decreasing or holding relatively steady. We are all hoping that the 2021–22 numbers begin to trend back up as we all rebound from this historic event.

Well, that's what we get for hoping for upward trending numbers! While it is accurate to say that some of the Board's license types, namely Professional Land Surveyor, Professional Geophysicist, and most of the Title Act engineering branches are reflecting a slow decline of active licenses over the last decade, interest in Fire Protection Engineer has bucked that trend growing at a respectable 38.9% over the same timeframe. Interest in the Electrical Engineer license has shown the greatest growth (22.9%), in terms of percentage, while interest in the Mechanical Engineer license is reflecting a respectable growth in terms of both percentage (11.6%) as well as close to matching the actual active licenses (1,555) with Electrical Engineers (1,958).

And while the interest in the Civil Engineer license has shown a respectable growth of 11.2% with an actual increase in numbers of 5,640 active licenses over the same time period, the more recent and substantial increase in application volume for the Civil Engineer license is projecting to make an upward impact on future versions of the Board's licensing statistics. As reported at Board meetings and in recent editions of the Board *Bulletin*, we are experiencing a dramatic increase in initial application types which began

Executive Officer's Report (continued from page 1)

Monthly Average—Initial Applications Overall

about mid-2022 and has appeared to peak earlier this year with a recent minor downward trend slowing down to levels which the Board had originally anticipated a few years ago.

Since this chart is only reflecting numbers through September 2023, the Board is closely monitoring these trends as we progress through the remainder of this year and into 2024.

Please take a few minutes to peruse the licensing and application information in this edition of the *Bulletin* as we believe you will continue to find this information thought provoking, especially for our readers who are licensed by this Board. Additionally, if you haven't already done so, I suggest you subscribe

the Board's Email Subscriber List found at <https://bpelsg.ca.gov/webapplications/apps/subscribe/index.shtml> so you can follow events which are happening at the Board, especially as it enters the next Sunset review cycle in 2024.

Last, I would like to welcome Cristina "Tina" Garcia, Public Member, as a recent Governor appointee to our Board. We look forward to Ms. Garcia joining our other Board Members in continuing to serve.

BPELSG Board Members at the June 8, 2023 Board Meeting

Standing, from left: Coby King, Wilfredo Sanchez, Mohammad Qureshi, incoming Vice President Christina Wong, Kathy Jones Irish, Fel Amistad, Elizabeth Mathieson, Frank Ruffino.

Seated, from left: Incoming President Michael S. Hartley, outgoing President Rossana D'Antonio, Alireza Asgari, Guillermo Martinez.

Dr. Mohammad Qureshi and Kathy Jones Irish's terms both expired June 30, 2023.

Cristina "Tina" Garcia and Fermin Villegas had yet to be appointed to the Board.

Passing of the President's Gavel

A passing of the President's gavel from outgoing Board President Rossana D'Antonio to Michael Hartley.

Outgoing Board Members

Board Members whose terms expired June 30: Mohammad Qureshi and Kathy Jones Irish.

Board News on NCEES Changes

The NCEES PE Structural Examination will transition to computer-based testing (CBT) in 2024. The NCEES website has updated examination information in detail regarding the transition and how the examination will now be formatted and administered.

Please see the NCEES website for further information and how to contact NCEES with any questions you may have: <https://ncees.org/exams/pe-exam/structural>.

Registration for the CBT PE Structural Exam opened on November 1, 2023. California applicants may now register and sit for the CBT PE Structural Exam *without* prior approval from BPELSG. Once an applicant has successfully passed both components of the exam (Vertical and Lateral), has the required qualifying experience, and has an active Civil Engineer license in California, they may apply for licensure as a Structural Engineer. There is no final filing date; applications can be submitted and will be accepted on a continuous basis.

Please see the BPELSG website for information on the Structural Engineer application process and licensure requirements: <https://www.bpelsg.ca.gov/applicants/seappintro.shtml>.

Board Members

(Effective July 1, 2023 through June 30, 2024)

President: Michael S. Hartley, PLS

Vice President: Christina Wong

Public Members:

Fel Amistad, Ph.D.

Cristina "Tina" Garcia

Coby King, Esq.

Frank Ruffino

Wilfredo Sanchez

Fermin Villegas

Professional Members:

Alireza Asgari, Ph.D., PE, SE

Rossana D'Antonio, PE, GE

Guillermo Martinez Jr., PE

Elizabeth Mathieson, PG, CEG

Executive Officer:

Richard B. Moore, PLS

Assistant Executive Officer:

Nancy Eissler

Bulletin Editor: Brooke C. Phayer

Digging Deeper: Understanding Our Certificate Holders and Licensees

Here we share information with our stakeholders regarding our in-training certificate holders and licensees. The information in the charts begins in 2011 and extends to the end of fiscal year 2023. *You may click on the title of any chart/graph to be taken directly to it.*

In order, the charts identify:

QUARTERLY OUTREACH REPORT (Q4) APRIL–JUNE 2023

EVENTS: (All “In Person” Unless Noted “Virtual”)

APRIL

April 4—CSU San Bernardino Presentation—J. Goodwin, PG, CEG

April—Loma Linda University Presentation—J. Goodwin, PG, CEG

April 5—UC San Diego Scripps Institute of Oceanography Presentation—J. Goodwin, PG, CEG

April 6—CSU Long Beach Presentation—J. Goodwin, PG, CEG

April 26—North County Civil Engineers and Land Surveyors Association (NCCELSA) Presentation—N. King, PE

April 28—Terracon PE Review: California Specific PE Requirements Presentation (Virtual)—N. King, PE

April 29—University of the Pacific Presentation (Virtual)—J. Goodwin, PG, CEG

MAY

May 15—UC Riverside – Presentation to Mechanical Senior Design—M. Donelson, PE

May 17—Professional Engineers in California Government (PECG) Golden Gate Section Presentation (Virtual)—N. King, PE, and M. Donelson, PE

May 17—ASCE/CLSA Joint Mtg. in Bakersfield—Introduction to License Renewals and Applications in Connect—R. Moore, PLS

May 25—Caltrans District 8 Professional Engineer Quantifications Committee: Professional Engineering Licensure (Virtual)—N. King, PE

May 25—Monument Preservation with San Diego Gas & Electric (Virtual)—D. Sweeney, PLS

JUNE

June 6—Anatomy of Licensing: Navigating the PE Licensing Process w/ASCE LA YMF and San Diego Chi Epsilon Alumni Association—N. King, PE

June 12—PLS Act discussion with City of Carlsbad (Virtual)—D. Sweeney, PLS

June 15—Camp Pendleton Day participation /booth—M. Donelson, PE

June 15—CLSA Channel Islands Chapter in Ventura—Introduction to License Renewals and Applications in Connect—R. Moore, PLS

June 20 & June 27—California Licensing for Professional Civil Engineers and Professional Land Surveyors w/ San Francisco City Employees (Virtual)—N. King, PE, and D. Sweeney, PLS

June 29—BKF Engineers, Early Professionals Event: Professional Licenses Lunch & Learn (Virtual)—D. Sweeney, PLS, and N. King, PE

In Memoriam

In celebration of the lives and contributions of the following professionals, the Board would like to recognize professionals licensed as engineers, land surveyors, or geologists who recently passed away. This list may not include all those who have recently passed away, as we rely on information from the public, other licensees, and family members. Please contact the Board regarding individuals who have recently passed.

Enforcement Actions

Citations Issued to Unlicensed Individuals: Fiscal Year 2022–23 (April–June)

Citations are an alternative to criminal prosecutions that the Board can use to enforce the laws prohibiting the unlicensed practice of engineering, land surveying, geology, and geophysics, or other activities for which a license is required. When a fine is levied with a citation, payment of the fine does not constitute admission of any violations charged but represents a satisfactory resolution of the matter pursuant to Business and Professions Code Section 125.9(d). Code sections numbered in the 6700s, 7800s, and 8700s refer to the Business and Professions Code; those numbered in the 400s and 3000s refer to Title 16 of the California Code of Regulations. You may look up the code sections and read the laws on the Board’s website, www.bpelsg.ca.gov/laws/index.shtml. All final citations are matters of public record. For a copy of the final citation order or if you have any questions, you may contact the Board’s Enforcement Unit at BPESLG.Enforcement.Information@dca.ca.gov or (916) 999-3593. Please include the name of the cited person and the citation number in your request.

Cited Person	Citation No.	Violation Code Sections	Date Final	Fine Amount	Status of Fine
ACOSTA, DAVID	20063-U	6787(a)	6/29/2023	\$2,500	Paid
BROWN, KENNETH	11030-U	6787(a),(g); 8792(a),(i)	4/14/2023	\$1,000	Paid
ESCOBAR, JACQUELINE	20064-U	6787(g)	6/29/2023	\$5,000	Paid
GOLISON, JAY	20045-U	6787(a),(g)	4/3/2023	\$1,500	Paid
ROHBANI, VANDAD	20018-U	6787(a),(g)	6/6/2023	\$750	Paid
STANGLE, ZACHARY	20062-U	6787(a),(g)	6/26/2023	\$1,000	Paid

(continued on page 15)

Enforcement Actions (continued from page 14)

Citations Issued to Licensees: Fiscal Year 2022–23 (April–June)

Citations are issued to licensed engineers, land surveyors, geologists, and geophysicists when the severity of a violation may not warrant suspension or revocation of the licensee’s right to practice. When a fine is levied with a citation, payment of the fine does not constitute admission of any violations charged but represents a satisfactory resolution of the matter, pursuant to Business and Professions Code Section 125.9(d). Code sections numbered in the 6700s, 7800s, and 8700s refer to the Business and Professions Code; those numbered in the 400s and 3000s refer to Title 16 of the California Code of Regulations. You may read the laws on the Board’s website, www.bpelsg.ca.gov/laws/index.shtml. All final citations are matters of public record. For a copy of the final citation order or if you have any questions, you may contact the Board’s Enforcement Unit at BPELSG.Enforcement.Information@dca.ca.gov or (916) 999-3593. Please include the name of the cited person and the citation number in your request.

Board Speakers Available

The Board continues its efforts to reach out to groups interested in any of the broad array of Board functions. As part of this outreach effort, we have speakers available to present at meetings and events. Speakers include Executive Officer Ric Moore, PLS; Assistant Executive Officer Nancy Eissler; Enforcement Manager Tiffany Criswell; Senior Engineering Registrars Natalie King, PE, and Mike Donelson, PE; Senior Land Surveyor Registrar Dallas Sweeney, PLS, and Senior Geology and Geophysics Registrar Josh Goodwin, PG, CEG.

Our Enforcement, Licensing, Examination, and Outreach units all have speakers authorized to represent the Board. To request a speaker, we will need the following information: size of group, location, time, length and type of presentation, and proposed subject matter. Appropriate advance notice is always appreciated. Current and former Board members may also appear on the Board’s behalf, depending on availability.

For more information, contact Board outreach coordinator Brooke Phayer at Brooke.Phayer@dca.ca.gov.

Board Subscribers List Reminder

Receiving email notifications regarding meetings, legislation, or e-news from the Board couldn’t be easier. Simply join our subscribers list on the Board’s website. You will then be connected to new editions of the *Bulletin*, notified when the Board holds meetings, and receive information related to consumers, candidates, or licensees.

Joining the subscribers list can be done in just a few easy steps:

1. Visit the Board’s website at www.bpelsg.ca.gov.
2. Click on “Subscribe to the Board’s Email List” in the “Quick Hits” section.
3. Enter your email address and the specified text or audio link to validate submission of your data.
4. Click on “Submit,” you will then receive a confirmation email.
